Re: Liberian Registry Approval.

Dear **Ivan Bulah**

We are pleased to inform you that your **BASIC TRAINING, ADVANCED FIREFIGHTER, DESIGNATED SECURITY DUTIES, MEDICAL CARE, MEDICAL FIRST AID, SECURITY AWARENESS, SHIP SECURITY OFFICER, SURVIVAL CRAFT PROFICIENCY** course has been reviewed and accepted for approval by the Liberian Registry as per International Convention on Standards of Training, Certification, and Watchkeeping for Seafarers, 1978, as amended.

The status of approval will remain in force for up to five years. A registry representative may request at any time to attend a demonstration course. The certificate is valid for five years from the date of issuance. The registry requires that your annual quality audit review results be forwarded to our offices for review and filing.

Any on-site review as part of the approval process shall be completed on a cost recovery basis where the training center seeking approval shall meet the administrative cost including travel and per diem of the registry official conducting any on site visit.

Upon the expiration of the five-year period the training center will bear the cost of the five-year renewal approval.

This letter should be displayed as your course approval.

It was a pleasure working with you and your staff during the approval process. We sincerely appreciate your contribution to promoting maritime safety and security.

Sincerely,

Carl Drumgoole  
For Deputy Commissioner of Maritime Affairs,  
Republic of Liberia
